Trip to:
9th Ave & Coast Hwy
Laguna Beach, CA 92651
33.48 miles / 46 minutes

Notes
Park up the hill where you can find street parking. Look for the Coastal Public Access signs. It is not quite 1,000 steps down to the beach. An alternative route is to continue on the I-5 to Crown Valley Pky, then head N for a short distance on PCH. That was actually the recommended route but I am more familiar with taking 133 South through Laguna Canyon.
