Take I-5 to just south of San Clemente. Exit on Basilone Rd. (Don't miss it because it would be another 10 miles or so to the next exit.)

Turn R and follow the road south along the freeway for about 1.5 miles. Look for a little "Surf Beach" sign.

Turn R, then down into the valley and back up to the park entrance on the other side. After entering, continue down to the beach and drive to very near the very end. Look for the Department's white van. We will be out on the low tide. You probably will need to wade in shallow water.
