you (and how do you deal with this)?

| Name:                                                                                                                                              | Year of birth: |  |  |
|----------------------------------------------------------------------------------------------------------------------------------------------------|----------------|--|--|
| Degree (if applicable):                                                                                                                            | Sex/Gender:    |  |  |
| Year graduated (if applicable)                                                                                                                     | Biology GPA:   |  |  |
| and overall GPA:                                                                                                                                   | Science GPA:   |  |  |
| Please answer the following questions:  1) State your main reason why you would like to undertake a Master of Science degree in the Cuajungco Lab. |                |  |  |
|                                                                                                                                                    |                |  |  |
|                                                                                                                                                    |                |  |  |
|                                                                                                                                                    |                |  |  |
|                                                                                                                                                    |                |  |  |
|                                                                                                                                                    |                |  |  |
| 2) As an undergraduate, what are/were your favorite and least favorite classes?                                                                    |                |  |  |
|                                                                                                                                                    |                |  |  |
|                                                                                                                                                    |                |  |  |
|                                                                                                                                                    |                |  |  |
|                                                                                                                                                    |                |  |  |
|                                                                                                                                                    |                |  |  |
|                                                                                                                                                    |                |  |  |
| 3) Briefly describe your career goals after your successful MS education at CSUF.                                                                  |                |  |  |
|                                                                                                                                                    |                |  |  |
|                                                                                                                                                    |                |  |  |
|                                                                                                                                                    |                |  |  |
|                                                                                                                                                    |                |  |  |
|                                                                                                                                                    |                |  |  |
|                                                                                                                                                    |                |  |  |
| 4) Describe a situation in which you felt under pressure. How did you deal with it?                                                                |                |  |  |
|                                                                                                                                                    |                |  |  |
|                                                                                                                                                    |                |  |  |
|                                                                                                                                                    |                |  |  |
|                                                                                                                                                    |                |  |  |
|                                                                                                                                                    |                |  |  |
|                                                                                                                                                    |                |  |  |
| 5) What personal attributes do you think people like about you? What attributes people do not like about                                           |                |  |  |
