

**Western Society of Malacologists and
International Workshop on Opisthobranchs-
Joint Meeting 2012**

University of California-Santa Cruz

June 24-27, 2012

The meeting will be held among the redwoods (and banana slugs) on the beautiful main campus of the University of California-Santa Cruz in Santa Cruz, CA. Housing and meals will be available on campus, starting at noon on Sunday June 24, 2012 with departure by 1 pm on Wednesday, June 27.

Tentative schedule:

June 24: 12-8:30: Registration at Porter College, UCSC, ice cream social and public lecture by Dr. Terrence M. Gosliiner, California Academy of Sciences

June 25: Talks and posters, including symposium on History of NE Pacific Malacology

June 26: Symposium on Terrestrial Gastropods, session of International Workshop on Opisthobranchs, contributed talks, business meeting and meeting dinner

June 27 morning: Paleontology field trip; possible excursion to Big Basin redwoods, and contributed talks (as needed). Departure by 1 pm.

Organizer and WSM President: Janet L. Leonard jlleonar@ucsc.edu

Chair of IWO: Angel Valdes aavaldes@csupomona.edu,
